i really dont like the Great Gatsby. i think i generalizes too much about a large group of people. people are different and we cant assume that two people would do the same things in the same situations. not every person with money will end up like Gatsby	1	11.11%
I think that some of our large group discussions could have gone better. It seemed to be a bunch of people voicing how they interpreted the quote. While this might be how some people work, I believe that my way that I interpreted something is different than others...	1	11.11%
I think we should have had less of the Great Gatsby to read every night, because although it was easy, it was a lot to handle with after school activities.	1	11.11%
It would have been great if we didn't have to do the AP Prompt on Friday...oh wait we didn't. Thanks MR.O!! Also I think that people are starting to get annoyed with each other...disrespect is being shown quite frequently in a subtle manner. I think we should are cool down. It is a much better atmosphere when everyone is calm.	1	11.11%
